

TRAINING ANNOUNCEMENT

MOTORBOAT OPERATOR INSTRUCTOR CERTIFICATION COURSE - (MOICC- 401)

DOI -National Park Service is hosting a "Motorboat Operator Instructor Certification Courses" (MOICC). This course is designed to prepare persons who have previously **completed the MOCC** program to instruct others in the field of motorboat operations. Throughout the training, participants will design and instruct several presentations on a subject related to boating both in and out of the classroom. Participants will receive constructive feedback from peers and other instructors present during classroom presentations. The program will include: classroom management, effective listening, ice breaker exercises, lesson plans, use of training aids, and presentation techniques. Students successfully completing this course will be certified to instruct the DOI "Motorboat Operator Certification Course" (MOCC).

Pre-requisite: *Prior MOCC certification*

Class Size: Minimum 12 - Maximum 18

Date: August 16 – 20, 2004

Closing Date: July 23, 2004

Session Length: 36 hours

Nomination NPS Personnel - Submit one-page nomination (attached) – to NPS-LETC, at (912) 267-2246; Fax (912) 267-3188

Other DOI Agencies, (i.e. FWS, BLM, USGS, BOR) can also go directly through NPS-LETC, use above telephone and fax numbers

Location: Gulf Islands National Seashore - Ocean Springs, Miss.

Tuition: *There is no tuition associated with this course*

Travel and per diem paid for by benefiting account

Pre-course Assignment: Students will be required to plan and present a 45-minute presentation on an assigned MOICC topic before receiving certificates.
